Our Hospitality Programmes have been structured to provide students with more opportunities to undertake work placements. This assists students to attain the requisite number of hours work experience helping them to meet the eligibility requirements for the 485 Temporary Graduate visa (we arrange more than 400 hours of work experience for our students). For more information visit the website below.

Note: During a student's Industry Placement he/she will be visited and assessed by an Assessor from Academia. The student will also need to complete an Industry Placement work Log to demonstrate that he/she has acquired real work experience across multiple areas of the hospitality industry.

** This excludes any fast food or takeaway food establishment.*
